

# *Chocolate Chip Scones*

## **BAKING INSTRUCTIONS**

Thank you for buying our ready to bake scones and supporting us during these unusual times. We hope you and your family are well and that these scones brighten your day.

1. Wash your hands.
2. Pre-heat oven to 400F. (350F for convection ovens)
3. Place frozen scones on baking sheet spacing them approximately 2 inches apart.
4. Brush the tops with half-and-half or milk and sprinkle liberally with the provided disco sugar (our kitchen name for the big sparkly sugar.)
5. Place baking sheet in oven and bake for 25-30 minutes (15-20 minutes for convection ovens) turning the sheet pan 180 degrees half way through.
6. Since baking times can vary with different ovens you may want to open up one scone to check the doneness in the middle. Be careful to not touch a hot chocolate chip.
7. Let the scones cool for 5 minutes before serving. Those chocolate chips get hot.
8. Wash your hands.

*Grab the jam, there's scones!*
